½ day of travelling £1,000

1 day of travelling £2500

2 days of travelling £5000

Flights inside Europe – Standard class

Flights outside of Europe – Business Class

Hotels are provided by organising committees

The Data that I collect on all patients allows for a DATA not DOGMA approach which is unique in the teaching of occlusion and restorative dentistry. I share protocols and data that supports the rehabilitation of your patients and this is reflected in the Honoria. I look forward to collaborating with colleagues around the world.

A handwritten signature in black ink that reads 'Riaz Yar'.
